# *Karnes Gladiolus Garden*

ALLEN KARNES, Proprietor

Wood Street            ::            Dial 2630

Skowhegan,            :            Maine

I want to thank all of my glad customers, both old and new, for their liberal orders during the past year.

I harvested a grand lot of bulbs this season but to avoid disappointment please order early.

I have many new glads in the garden for trial which I am sure you will want to see. Visitors are always welcome.

Terms are cash with order. All orders less than \$2.00 please add 15 cents for postage. All bulbs are large size.

My garden is State inspected.
